

"This help is a new life for us."

3P partners with secret church networks across Afghanistan to train church leaders and distribute humanitarian aid to thousands of people in dire need. Support is also given for starting micro businesses to provide long term solutions.

As we entered her home, Kh. paused for a moment and placed her hands on the bags of flour and rice. She whispered, ***"This help is a new life for us."*** Kh. said, although a widow, she felt she was not alone in her struggle. She raised her hands in prayer and said, ***"God, grant health and abundant blessings to those who thought of us. We have nothing to give in return except our prayers."*** Kh. shared that this regular assistance eased the heavy burden she had been carrying and restored hope and strength in her home - hope that helps her continue caring for her 9 children through difficult days.

*And how can anyone preach unless they are sent?

those who bring good news!" - Romans 10:15*

A YEAR OF IMPACT

3P MINISTRIES

*Multiplying Healthy Churches in the
Arab, Turkic and Persian World*

**YOUR SUPPORT EQUIPS LOCAL
BELIEVERS TO PLANT AND
SUSTAINABLY MULTIPLY
DISCIPLES AND CHURCHES IN
SOME OF THE HARDEST PLACES
TO BE A CHRISTIAN.**

Prayer | Church Planting | The Persecuted

WHAT WE DO

We partner with local, in-nation leaders to catalyse church planting movements among unreached peoples in North Africa, the Middle East, Eurasia and parts of the Persian world.

In countries where **less than 1%** of the population are Christian - facing poverty, instability and persecution - we equip believers to **make disciples and multiply healthy, sustainable, resilient churches for transformational community development.**

Our approach:

- Coaching & Training:** Equipping local leaders to grow discipleship movements, planting self-sustaining resilient and healthy churches, train others, and address local challenges in Muslim-majority contexts.
- Collaboration:** Strengthen national and regional unity to reach *Every People Every Place*.
- Sustainability:** Build sustainability through biblical business training, locally-led income generation and transformational community development.
- Strategic Visits:** Provide in-nation support, mentoring and guidance.
- Prayer Strategy:** Mobilise prayer across our network and develop partners in-nation prayer movements.
- Crisis Response:** Respond to practical and spiritual needs amid conflict and instability through providing humanitarian aid, trauma healing training and pastoral care.

Your Investment = Global Impact

Over 25 years we have trained thousands of leaders and seen churches sustainably multiply to over 6 generations.

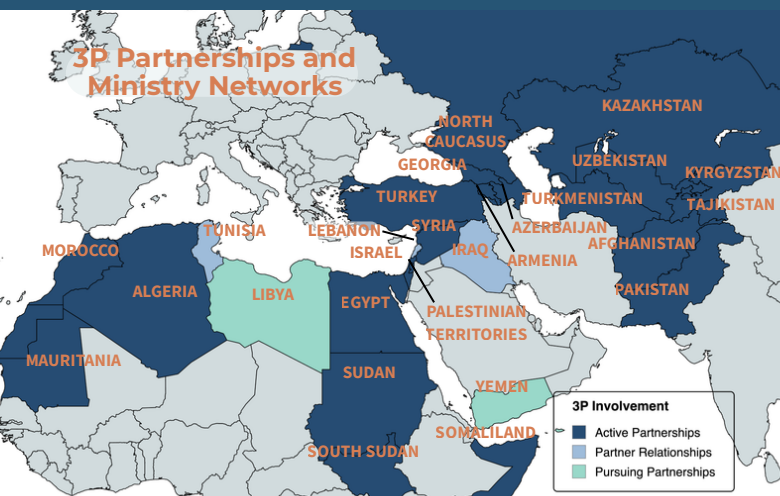

Praise God, in 2025 we were able to expand the ministry into new nations and invest in new teams and partners. **Thank you to everyone who prayed and supported 3P** to enable this. We thank God for the impact that each person disciplined and each church planted in 2025 is having in their community. We pray they will be salt and light and that community transformation will ripple across the nations.

Our budget for 2026 of £1,226,160 is again a faith stretch as we seek to follow the Lord's leading deeper and further into unreached people groups, to catalyse church planting movements that Every People and Every Place may be reached with the gospel and know God's love.

GLOBAL NEED

ONLY £1 OF EVERY £1,000 OF CHRISTIAN GIVING GOES TO REACH THE WORLD'S 3 BILLION UNREACHED PEOPLE.

FROM A EURASIAN LEADERSHIP TRAINEE

A few years ago, the training from 3P team changed my focus and mentality. Since then I said I'm going to reach the unreached too! I got further support and... In the last year I changed the strategy for acceleration using the 7 questions and it's working great. We have so many new disciples.

So Christ himself gave the apostles, the prophets, the evangelists, the pastors and teachers, to equip his people for works of service, so that the body of Christ may be built up - Ephesians 4:11-12
