

Church Partnership Opportunity with 3P Ministries

3P Ministries exists to **multiply healthy churches in the Arab, Turkic and Persian world**

We invite your church to partner with us to see:

- The Gospel shared and disciples made among some of the most frontier and unreached people groups in the world.
- Church leaders trained and equipped in challenging environments of conflict, poverty and persecution.
- Sustainable locally led churches planted and multiplied.

Why This Matters

- Over **800 million people** live in unreached groups across our focus regions
- Most of these have **less than 1% Christians** so the vast majority of people will go their entire lives without even meeting a Christian, let alone having the opportunity to hear the gospel and join a church..
- Persecution remains severe and the courageous seekers and believers serving in these nations need our prayers, discipleship and equipping.

God is moving and across the Arab, Turkic and Persian worlds people are coming to Christ in numbers not seen in previous generations.

Our Approach

We:

- Equip local leaders
- Catalyse discipleship making movements
- Support church planting multiplication
- Mobilise strategic prayer
- Support micro business support, crisis humanitarian aid and long term development, trauma healing and ongoing mentoring.

This ensures **sustainable, locally-led Gospel growth and transformational community development.**

Church Partnership Opportunity with 3P Ministries

3P Ministries exists to **multiply healthy churches in the Arab, Turkic and Persian world**

Invitation to Partner

We invite your church to become a **3P Partner Church** through all or any of these three options:

1. Prayer

Receive monthly prayer points and quarterly online gatherings with 3P ministry team members and local partners in the nations.

Adopt a nation or region to learn about and focus on. You will receive regular updates and prayer points to enable more detailed specific prayer support for the local partners and unreached people groups there. Commit to regularly praying as we seek to cover in prayer all nations and regions 3P ministers in.

2. Giving

Regular giving enables us to plan and budget more effectively, providing a stable foundation to deliver this vital ministry long term.

3. Engagement

Appoint a church champion to help engage and communicate updates and prayer needs to the church and integrate 3P Ministries into your missions strategy.
